

VU LTD REWARDS PROGRAM

The VU Rewards programme is proving to be popular among our most loyal clients who are redeeming points to reward staff, make prize donations to their chosen charities and of course, to pamper themselves. This programme provides all our clients the opportunity to earn rewards to be redeemed against special experiences and fantastic prizes from a Bottle of Champagne Gift pack to a luxury holiday in Burgundy and Champagne region – a *superb reward for your loyalty.*

How it works

Once you have made a purchase from VU Ltd, for example, a table at a charitable dinner, a trip to watch the Six Nations Rugby, hospitality at Wimbledon, Royal Ascot, Henley Regatta, tickets at a music festival or concert, you will automatically be enrolled in the Rewards Program.

For every £1 you spend with VU Ltd, you will earn 1 point.

When payment is made in full, the points will be credited to your account and you can start redeeming them against our continually evolving list of exciting prizes.

Earn Bonus Points

- Refer a friend, colleague, client to VU and earn 2500 Bonus points when they make a purchase from VU.
- Double the number of points earned for a purchase by settling within 24 hours of receiving our invoice via bank transfer or debit card. (*This only applies to purchases made 3 months before the event date).
